be used to reinvigorate the park’s natural resources. Staff also provided a brief update on the aquatic plant reintroduction happening in Alimagnet Lake.

**ITEM 5.B. Agenda Items – MPCA Stormwater Grant Update**

Natural Resources Coordinator Berger and Assistant City Engineer Evan Acosta shared that the City received a \$5 million grant from the Minnesota Pollution Control Agency to make stormwater improvements at Duchess, Greening, and Pennock Parks. Staff showed concepts of improvements at all three parks and explained the timeline and next steps for the implementation of these improvements. Committee Member Long expressed a desire for signage within the parks, specifically for the underground reservoir at Duchess Park, to educate the public on the purpose of the stormwater amenities.

<b>Description:</b> Approve 2026 Meeting Schedule	
<b>Staff Contact:</b> Eric Carlson, Parks and Recreation Director	<b>Department / Division:</b> Parks and Recreation

**Action Requested:**

Approve 2026 Parks & Recreation Advisory Committee Meeting Schedule

**Summary:**

By City Resolution, the Parks and Recreation Advisory Committee shall meet and hold meetings on the first Thursday in January, March, May, September, and November each year. Special meetings may be called by the Chair as needed.

Due to the volume of projects resulting from the successful 2023 Parks Referendum, staff propose adding regularly scheduled monthly meetings January through December 2026 to cover timely business issues. Staff will cancel unnecessary meetings if there are no business items to discuss. This strategy has been used successfully for the past three years.

Incorporating the suggested additions for 2026, the Parks and Recreation Advisory Committee meeting schedule would be as follows:

- January 8
- February 5
- March 5
- April 2
- May 7
- June 4
- July 16 *\*third Thursday*
- August 6
- September 3
- October 1
- November 5
- December 3

**Background:**

City Resolution 2010-39 outlines that Parks and Recreation Advisory Committee meetings are held the first Thursday of January, March, May, September, and November. Meetings are held in the Council Chambers of the Apple Valley Municipal Center and broadcast on cable TV beginning at 7 p.m. Informal meetings begin at 6 p.m. and are held in the Regent conference room of the Municipal Center on the same dates.
